

screenplay has been written by Seth Grahame-

Smith, who wrote The Lego Batman Movie and

So that we're clear, Untitled Star Trek Origin

story and a sequel to 2001's origin story,

Story will serve as a prequel to the 2009 origin

Enterprise. It will likely be set before <u>Discovery</u>,

which was conceived as a prequel to Star Trek

Pride and Prejudice and Zombies.

(1966) and Strange New Worlds, which is a prequel to Star Trek (1966). And, look, if you'll allow me to get a little personal for a moment, I am deeply overjoyed at the news. Given the dearth of origin stories, prequels and nostalgiaparades in the Star Trek universe, an Untitled Star Trek Origin Story is a welcome, necessary and life-giving addition to the franchise. Let's be honest, it's high time we got something insular and backward-looking after so many years of non-stop groundbreaking, original adventures shorn from the burdens of continuity.
